## Elite Ice Cream Parlors to Entertain the Public.

Tonight the Elite ice cream parlors will celebrate the opening of a new establishment, throwing open the doors to the public and their patrons generally. Messrs. Ludwigsen and Ramsey closed the old store at 7 o'clock last evening for the last time, and devoted themselves to making the new place festive with decorations of flowers and plants.

The entire interior is handsome and is made more so by the artistic arrangement of long sprays of malle, which festoon the walls and wind about the iron pillars. Banked along the display windows are scores of potted plants, ferns and small palms, transforming the interior into a scene of tropical beauty. A handsome American flag is draped over the door just within the entrance, its colors reflecting from the many mirrors with which the room is filled. Under the glow of the shaded incandescent lamps the store is very attractive. The booths are fitted up in a handsome manner. The house-warming this evening is complimentary to the public. An orchestra will be in attendance, and the coolest of aerobets, ices and punches will be served.

## CORONADO MINERAL WATER

Is a natural spring water from the famous springs located at Coronado Beach, California.

Thousands of people who visit California's celebrated pleasure and health resort go there to drink of this purest of waters. Of course, not every one has time or can afford the expense of a trip of 2,500 miles for a few short weeks at the springs to drink of the health-giving water. We bring Coronado to your door—that is, the pure, sparkling water, that has been bottled as it comes gushing from its fountain head.

The oldest Greek physicians had great faith in the curative properties of mineral spring water, and from that period until the present time, they have been sought by invalids. When one realizes that two-thirds of the human body is composed of water they appreciate how important a factor pure, wholesome water is to the system.

We sell this kind of table and medicinal water delivered at your home in case lots, as follows:

Case of 50 quart bottles, \$6 per case.

Case of 100 pint bottles, \$9 per case.

May we send you a case? Our phone is 423.
